**You are invited to attend a FREE SEMINAR to get the straight scoop  
on legal planning for busy parents.**

Join us on **November 4, 2017** at **Jam Time in Maynard**. We've arranged supervised play time for **your kids** while you learn the 9 easy steps you must take to ensure the well-being of your family.

During this informative seminar, **you'll discover** how to:

- Be sure your children **never** spend even one moment in the care of strangers if the unthinkable happens to you.
- Avoid the **expenses and delays** of a long, drawn-out court process that would make life difficult for your loved ones if you were in an accident.
- **Protect your children's inheritance** from creditors, lawsuits and failed marriages.
- Make sure your **hard-earned money is immediately and privately available** to your chosen guardians.
- Leave behind **more than just your money** – learn how to pass on your intellectual, spiritual and emotional assets.

This is a **FREE** event and open to the public. Your kids will have a great time with the Jam Time staff while you learn the 9 steps you can take to make sure your kids will be taken care of by the people you want in the way you want if something were to happen to you.
